Wednesday

15th June 2016

From the Principal's Desk.

Congratulations to our students that competed well and displayed great sportsmanship at the Callide Valley Athletic Trials last Friday. Good luck to those children that were selected to go on to The Port Curtis Trials on the 22nd July.

Thank you to Miss Rainbow and her lovely choirs that sang at the shopping centre two weeks ago. It was lovely to hear them sing and thank you to our supporters who came to watch and cheer them on.

Mrs Brewer and I had a lovely day at Biloela Kindy Under 5's Day last week. It was great to see such a well-resourced Kindy. It was also nice to proudly display our school in our local community.

Last Wednesday I was also lucky enough to transport our Reader's Cup team to Rockhampton. The students worked hard to secure 9th place. Thank you to Glenmore State School for hosting this event.

The teachers have been working hard and long hours writing report cards which will be distributed at our final Assembly on Wednesday 22nd June.

Events to still come this term include:

Accidental Counselling Workshop for parent and staff – Thursday 16th June, 3:15pm
Year 6 Limitless excursion – The Caves – Friday 17th June
Assembly – Wednesday 22nd June – 1:30pm
Robotics Afternoon – Wednesday 22nd June – 3:00pm

As of next term we will be purchasing extra Chaplaincy time so that Chappy can attend our school for both Tuesday and Wednesday each week. Chappy helps us to deliver wellbeing programs to our students to support them in their growth and development. Next term we are looking at providing programs that will enhance wellbeing through developing children's skills of self-worth, resilience and friendship building. Chappy is also keen to help out in the Kid's Shed which opened this week. We have some excited little knitters making scarves at the moment. The Kid's Shed is open for all Kids during first lunch to build, make, cook, grow things so that all our kids have the chance to be successful and develop self-confidence. If you or someone you know has some time and skills that they could share with our kids please let me know.

It has come to our attention that the behaviour of children during P&C Meetings is not safe and is not following our school rules. All children that are on school grounds during Meetings will be asked to only be in Possum Place during this time. We will set up Table Tennis and Handball for these children to play but as they are not being actively supervised they will not be able to use playground equipment or be in other areas of the school. It is the parent's responsibility to supervise their child's safety during these times.

This term has been extremely busy and our students have engaged in a variety of curriculum activities and entered many sporting/cultural/musical competitions. I would like to take this time to thank our wonderful staff who tirelessly offer these opportunities for our children to enhance their learning and wellbeing. You amaze me every day with your dedication, enthusiasm and passion to ensuring that our school truly is the great school that it is. Thank you!

I am away on Long Service Leave from next Thursday 23rd June to attend a family wedding. Have a safe and relaxing holiday everyone.

Term 3 starts Monday 11th July.

Have a super week.

We acknowledge the Gangulu people past and present on whose land we walk, we work and we live.
